Garden Basics: Improving Soil for Vegetables

Would you like to reduce garden costs and improve vegie patch performance?
Join our hands-on introduction into developing great soil for the home or professional gardener.

A course to develop your skills to:

- Understand soil (it's different from dirt!)
- Create low-cost, productive soil gardens
- Learn no-dig garden management methods
- Soil management for a successful vegie patch
- Learn hands-on, practical gardening know-how

The Commonwealth Department of Education, Skills and Employment endorses this course which counts towards Workforce Australia mutual obligations and points targets, including for Centrelink payment recipients.
