Independent Living Skills - Basic Computers

Build your confidence with computers in this introductory course designed for beginners. Develop essential digital skills and learn how to use a computer for everyday tasks, helping you become more independent, connected, and confident in today's digital world.

A course to develop your skills to:

- Use a computer and navigate common applications
- Access the internet safely and confidently
- Send and receive emails
- Develop practical skills for everyday use

The Commonwealth Department of Education, Skills and Employment endorses this course which counts towards Workforce Australia mutual obligations and points targets, including for Centrelink payment recipients.

Learn Local | Skills for study work and life

NEIGHBOURHOOD CENTRE BALLARAT

We enrich our community by providing opportunities for you to connect, participate and learn in a safe and inclusive space.

This course is 8 sessions of 2.5 hours.

As a registered Learn Local, we help you return to study, become work ready, improve your skills or learn something new. We do this by providing education and training programs designed to meet your learning needs. The tuition fees for this training course are funded by the Victorian government ACFE Board. Fees associated with all classes will be advised prior to enrolment.
