Independent Living Skills - Gardening

Discover the joy of gardening while learning practical skills to create and maintain your own garden. This beginner course will build your confidence through hands-on activities, helping you grow plants, develop new skills, and enjoy the many benefits of spending time outdoors.

A course to develop your skills to:

- Understand the seasonal planting cycle
- Learn about nutrition and healthy food
- Grow your own food
- Improve communication and teamwork skills
- Develop skills to help you find a job

The Commonwealth Department of Education, Skills and Employment endorses this course which counts towards Workforce Australia mutual obligations and points targets, including for Centrelink payment recipients.
