Learn Local

NEIGHBOURHOOD CENTRE BALLARAT

Urban Farming Pathways

Gain employment skills by building and developing local community gardens which can assist you in finding work or further training in horticultural, nursery, retail, trades and outdoor jobs. Community gardens are located at Sebastopol, Delacombe and Lucas.

A course to develop your skills in:

- Sustainable gardening
- Operating and maintaining equipment
- Weed control
- Learning about soil and compost
- Basic landscaping
- Pruning shrubs/trees
- Plant identification
- Potting up plants
- Pest/disease control
- Customer service
- Workplace expectations
- Meet employers

The Commonwealth Department of Education, Skills and Employment endorses this course which counts towards Workforce Australia mutual obligations and points targets, including for Centrelink payment recipients.

Learn Local | Skills for study work and life

Ballarat Neighbourhood Centre

We enrich our community by providing opportunities for you to connect, participate and learn in a safe and inclusive space.

This course is 18 sessions of 5 hours.

As a registered Learn Local, we help you return to study, become work ready, improve your skills or learn something new. We do this by providing education and training programs designed to meet your learning needs. The tuition fees for this training course are funded by the Victorian government ACFE Board. Fees associated with all classes will be advised prior to enrolment.
